

BEYOND THE MILLION

Join our critical mission to bring the gospel,
plant churches, and disciple believers in
some of the hardest-to-reach places.

What More Might Be Possible?

Building on the success of our Million for a Million campaign reaching one million people with the gospel of Jesus Christ, our International Needs partners have mobilized resources and established networks supporting those who have heard the gospel. It's time to build on that!

Beyond the Million seeks to add intentional discipleship and focused outreach targeting the hardest to reach people and regions in the world with the life changing message of Jesus Christ.

What Is the Focus of Beyond the Million?

1. Discipling the next generation for Christ
2. Reaching least reached people groups
3. Extending gospel outreach into restricted regions
4. Supporting marginalized populations across the IN Network

Cost of Beyond the Million

\$1.8 Million over three years (\$602,000 annually)
